Ag Careers (works with leadership)**

_____This committee is in charge of doing the career fair and can also schedule speakers to come to the classroom and talk about what they do and the experiences to come with their career. The career fair will be held in the fall of 2017.

Alumni/Scholarship**

These two committees are virtually the same. They work together on everything. They gain funds for the senior scholarship thus are charged with coordinating and implementing the pop tab contests, senior scholarship including the selection, and any games/tournaments used to fund the scholarship. This includes any special activities for the year.

Citizenship*

_____This committee is in charge of the Christmas boxes/certificates that are given out at Christmas time. Also, the First Responders teddy bear giveaway is this committee's responsibility and Salvation Army . In addition, the canned food drive held with Food For America is this committee's responsibility.

Cooperation**

This committee is charged with coordinating and implementing the Farm Safety Days (Bremer, Buchanan, and our own), Ag Demo at state fair and town celebrations. This committee also helps Citizenship with the Community day.

Economic Development**

This committee takes care of two omelet breakfasts (fall-Fairbank and spring-Readlyn_) and helps with the pop tab contest which takes place as soon as school starts.

Finance**

_____ This committee is in charge of fruit sales, candy cane sales, flower sales, malt sales, concession stands (greenhand fire up and fairs are just too examples here) and such. This committee is extremely important in maintaining our funds.

Health and Recreation**

_____ This committee is in charge of organizing all the recreation including canoeing, paintball, swimming, bonfires, potlucks, and the Ag. Olympics. This committee also helps the officers with the surprise trip and the recruitment committee with the Sweetheart Dance.

Human Resources*

_____ This committee is in charge of the greenhouse and plant sales. It also works with the landscaping around the school and community and assists Natural Resources with the test plot. In addition, this committee works with the Natural Resources committee on the HUSH program.

Leadership (work with ag careers)**

_____ This committee takes care of the merit system, merit trip, and all applications and conferences. It must stay current monthly with the winners and applications.

Natural Resources**

_____ This committee helps take care of the test plot and its sign. This committee selects the plan for the plot, implements the plan, updates the sign and makes sure thank yous are written accordingly. It also takes care of landscaping around the school in addition to the human resources committee as well as the HUSH program.

Public Relations (work with ag awareness)**
