

Wapsie Valley FFA Members Participate in Readlyn Town Celebration

By Natalie Risse, Chapter Reporter

On June 17 and 18, Wapsie Valley FFA members kept busy by being active in Grump Days, the annual Readlyn town celebration. Members served a meal during the golf tournament on Friday and hosted a pedal pull later that evening. The pedal pull results are found below along with the gracious sponsor of each trophy. The Miss Readlyn candidates were escorted by members of the chapter as well. On Saturday, members drove tractors in the parade and grilled ribeyes and hamburgers during the late morning and afternoon. The Bremer County Beef Producers provided the grill for this event.
