

Wapsie Valley FFA Holds Test Plot Field Day

By Natalie Risse

On September 15, members of the Wapsie Valley FFA held a test plot field day for area farmers to attend. The seed dealers and cooperative representatives were on site to answer questions and visit with those who attended. Thank you again to the following dealers and cooperatives for their donation and attending the field day if available:

Dekalb seed from Dave Wheeler

Pioneer seed from Kyle DeVoe

Stine seed from Mick Kane

LG seed from Doug Perry

Becks seed from John McMillan

Channel seed from Steve Rathe

Agrigold seed from Mat Martin

Soil Analysis and Lime from the Readlyn Co-op (Representative Corey Happel)

Fertilizer from the Dunkerton Co-op (Representative Kevin Bodensteiner)

Tillage by Ben Huebner

Planting and Harvesting by Conner Woods

Land rental from VanDaele Farms

UAN-Resicore-Atrazine from Innovative Ag, Oran (Representative Scott Neil)

A meal of pork loin, chips, and bars was also served. The meal was donated by Mark and Angie Kleitsch, Jackson Willey, Carson Woods, and Landen Kuhlmann. The Wapsie Valley FFA Chapter would like to extend a sincere thank you to the dealers, donors, and members of the community that participated in the test plot and the field day.
